

IGT MITTERBERG
VERNATSCH ROSÉ 2019

Rosé „Carina“

The grapes for our rosé come from the Knott vineyard in Marling. This vineyard is located at 300 m above sea level and faces east with a slope inclination of about 40%. The Vernatsch vines were planted in 2001 and have a strongly branched root network which grows deep into the medium-heavy mineral-rich slate soils.

 Variety: Vernatsch	
 Drinking maturity: 2020 – 2022	 Alcohol: 12% vol.
 Drinking temperature: approx. 12 °C	 maturation of the wine: steel tank
 Yield: 90 hl/ha	 Acidity: 5,2 g/l Residual sugar: 2 g/l

TASTING NOTE

Fruity and fresh aromas, characterized by cherry, raspberry and a delicate touch of ripe strawberry. The colour shines light pink Like the rose „Carina“

VINIFICATION

Due to the short maceration time on the press our rosé gets its typical light colour. The subsequent fermentation in steel tanks takes place at about 16°C. The young wine is then stored on the fine lees for 6 months.
